January 2011 Meeting Highlights

The CCFCA January meeting had 12 members present with two Falcons driven to the meeting. Wayne Cannon opened the meeting, followed by James Baxter requesting Secretary and Treasurer reports. There were no minutes from the November meeting read. However there will be additional information about the November meeting later in the newsletter. Bill Price provided the treasurer report, including we are starting to receive 2011 memberships. There was much discussion about needing the membership dues as soon as possible in order to provide the Nationals with the proper reporting before the end of February. The renewal membership form is located on the last page of this newsletter (page 5). Herman Lynch (Secretary/

In Memory of Bob "Fergie" Ferguson

A long-time club member, Bob "Fergie" Ferguson from Tennessee passed away December 25 of a heart attack . He be-

longed to our chapter even though his main chapter was the Music City Chapter in Tennessee. He was "at home" with CCFCA & wanted to know what we were up to. He

helped us with our national convention in 1999. Always a welcomed sight at any Falcon show. Now his sidekick Vernon and he will be cruising up in haven. We love you Bob and Gerri. CCFCA wishes a thoughtful prayer to the family and friends of our Falcon family members.

Meeting Minutes cont.

(Continued from page 1)

Newsletter Editor) acknowledges the newsletters have been sparse in 2010, but will make a more diligent effort to produce more newsletters in 2011. We also reviewed the upcoming 2011 meeting dates and events. You'll see this listing later in the newsletter. James Baxter did remind the club that this is the 25th anniversary year for CCFCA. The club is looking at possibly hosting a 25th anniversary lunch at the Classic Restaurant in Denton, NC if we can finalize plans with the restaurant. Ken Earnhardt will visit and get more details for our February meeting. Bill Price suggested moving the CCFCA meeting to different locations throughout the year such as Lincolnton, Fort Mill, and Lexington to see if we could get more members to participate. This was tabled for further discussion at a later meeting. There was also some discussion about having a CCFCA meeting or conducting a meeting at the Maxton (<http://www.ecta-lsr.com/>) location. This too was tabled for more discussion at a later date. Bill Price also requested if anyone had home-made tools for working on the Falcon to provide to the club to produce a directory of sources. He has created a coil spring compressor if anyone is interested, give him a call. Butch Evans received the meal ticket drawing for the month.

Dannie & Geraldine Haigler's Annual Cookout

Carolinas Chapter had its last meeting of the year in November. Our host for this annual meeting & cookout was our very good members, Dannie and Geraldine Haigler for the 22nd year. We had four Falcons present and 18 members. Dannie was our head chef. The Chapter supplied the hamburger, hot dogs, cups, plates, etc. The food was very good with a lot of side dishes and desserts. You missed out on some delicious food.

After eating, we had our last meeting of the year. Several things were discussed. Our president Wayne Cannon welcomed new members. We talked about hosting our 9th Regional Meet and All Ford Show. All sponsors were sent a thank you & T-shirt for sponsoring awards. The show was a success with the attendance after the bills were figured out by our treasurer Mr. Bill Price on the money end. Wayne Cannon announced the person who had driven his Falcon to the most Falcon events in 2010 was Herman Lynch.

His car will appear on the Town & Country dash plaques in 2011. We held elections of officers for the coming year. All officers were re-

elected to the same office they had for 2010. Thank you officers for supporting the Carolinas Chapter.

It was announced about the start of Carolinas Chapter membership renewal. We start this every November through February. Many members paid their dues while at the meeting. It was mentioned to donate money to Toy for Tots or Christian Ministries to help a needy family. We voted to have hat pins made since the Carolinas Chapter has its 25th Anniversary this coming year. We talked about the schedule for 2011. The meeting was closed with Dannie giving the ladies flowers before they left and goodie bags to the men. Everyone enjoyed the cookout and thanked Dannie & Geraldine for having us again. So make plans to attend next year.

9th Carolinas Chapter Regional Meet and All Ford Show

The Carolinas Chapter FCA 9th Regional Meet and All Ford Show was held September 24th & 25th as planned. The rain stayed away as hoped all through the show only after the show was finished. Everyone enjoyed themselves at the show with over 70 Falcons and Fords. We had 14 chapters present at the show. We had Falcons making the show from 14 states, as far south as Florida, as far north as New Jersey and as far west as Texas. The Falcons are getting better and better all the time, making it so hard to vote on them. The best of the stock was Mac McCray from Virginia with his burgundy 1965 Sprint. Best Modified was won by Bill Poole with his orange 1965 hardtop. Ladies choice was won by Buck and Connie Crowder with their 1963 Aqua Blue Hardtop. Doug Browning won the farthest driven from Oklahoma. Most participation was won for the ninth time by the Southeastern Chapter of Georgia. The Early Bird Drawing was held and Muriel Delmore won \$150. She is the mother of John Woodward and is in her eighties. John said she had just joined the Falcon club three months earlier and was going to use the money to renew her dues to the Falcon Club of America for several more years.

Saturday was a full day of just the show. Folks getting their Falcons shined up for the voting to begin. Voting can make a body hungry. Carolinas Chapter had 12 pizzas from Pizza Hut served to our Falcon guests. The Valve Cover Races were held again after the voting was over. Many liked the competing and watching. Later that afternoon the awards were handed out under the front canopy of the hotel. After the awards were handed out, everyone formed a line to have a plate of BBQ chicken & pulled pork, beans, slaw and dessert: a little taste of the Carolinas. This marked the end of the show with Falcon folks relaxing outside. Many members started tearing down the show. Final Security was held over seeing the Falcons through the night for their journeys home. Sunday morning folks had breakfast and said their good byes til the next time.

It takes a lot to host a Regional Meet in the early planning, during and after. Thank you goes out to the many who attended the show, sponsors, and members with their hard work in making this Regional Meet such a success. It wouldn't have happened without you and the love of our beautiful Falcons.
