Do you want to be more active in your club? Just come to the next meeting or give Wayne or James a call and they'll "hook you up"!

## July Meeting Highlights

The CCFCA met on June 11, 2011 at Shatley Springs. There were 15 members and 3 cars from our chapter and another 8 members with 3 cars from the Virginia Chapter. While no official meeting was held, the food was good and the everyone had a great time.

Herman Lynch, our current CCFCA Secretary and Newsletter Editor has decided to step down from both these positions at the end of this year. Therefore the club is seeking nominations for these two efforts.

Herman will remain in the club but only as an active member. Herman has agreed to work with and support whomever to transition them to either or both positions.

-Herman Lynch

**August Anniversaries:**

Terry & Sandra Tallent 15th

**If I have left you out, that means I don't have your birthday/anniversary information in my roster.** We are missing a lot of them. Just send me an e-mail or call with all of your information and I'll update my roster. Herman - [hglynychjr@gmail.com](mailto:hglynychjr@gmail.com)

**Items For Sale**

Single barrel carburetor bodies, floats and linkage parts.

Used 62 Falcon front suspension parts. Upper and lower control arms, spindles, drums, pitman arm, idler arm, centerlink. Some of the parts are unusable. Upper control arms can be rebuilt with shafts and ball joints. The spindles are usable. The pitman arm looks ok. The idler arm may be usable.

**FREE** to anyone that can pick them up. **No shipping.**

If you need additional information give me a call.  
Have a nice day.

Bill Price

**Your Falcon "On the CCFCA" Web Site**

The Carolina Chapter Falcon Club of America wants to add our members' Falcons to the [Carolina Chapter website](#). We need and want digital photos of your Falcon, or Falcon events with our Club you may have for our members page on our website. We have some very nice looking Falcons in the club and want to show them off. Older scanned photos will work but digital ones look great on the web. Get those cameras rolling and get us some recent photo of your Falcon.

# **CLEVER IDEAS WORTH KNOWING!**

**Take your bananas apart when you get home from the store.  
If you leave them connected at the stem, they ripen faster.  
(I didn't know that!)**

**Store your opened chunks of cheese in aluminum foil.  
It will stay fresh much longer and not mold.**

**Peppers with 3 bumps on the bottom are sweeter and better for eating.  
Peppers with 4 bumps on the bottom are firmer and better for cooking.**

**To really make scrambled eggs or omelets rich add a couple of spoonfuls  
of sour cream, cream cheese, or heavy cream in and then beat them.**

**For a cool brownie treat, make brownies as directed.  
Melt Andes mints in double broiler and pour over warm brownies.  
Let set for a wonderful minty frosting.**

**Add garlic immediately to a recipe if you want a light taste of garlic,  
or at the end of the recipe if you want a stronger taste of garlic.**

**Leftover Snickers bars from Halloween make a delicious dessert.  
Simply chop them up with a food chopper.  
Peel, core and slice a few apples.  
Place in a baking dish and sprinkle the chopped  
candy bars over the apples.  
Bake at 350 for 15 minutes!!!  
Serve alone or with vanilla ice cream. Yummm!**

### **Reheat Pizza**

**Heat up leftover pizza in a nonstick skillet on top of the stove,  
set heat to med-low and heat till warm.  
This keeps the crust crispy.  
No soggy micro pizza.**
